Between Communicating Language and Culture and Conversational Intercultural Communication by Dr Bejun Fan To be sure, most of the non-professional people who happen to be reading this book are learning English for non-interpersonal reasons. The people who ask you to write them “a long letter” are likely to just be asking you to give them a long letter; they aren’t likely to have any further interest in your communications while the letter is being written. That’s one aspect of the “social” aspect of a letter “to” somebody
