JIE LI CD002-1 U3 . Category: MP3 player Dan, Kristine, and I met up after work for our monthly social. This month we danced, sang, made love, talked, and watched a performance by the Vipers, a longtime DC crew. It was very good, and Dan got some nice pics. Our monthly social was held in a larger room at the Warehouse in Dupont, and Dan and I got the chance to meet some of the regular local sceneters. We have gotten to know Ian, who is always willing to dance and sing at some sort of event. He knows all the best BPMs and keeps everyone on their toes with a fast and fun pace. This is the first time I have found out that so many people at DC are interested in playing music on the IRC, and I was very excited to have this chance. Charlie and DeeDee were very thorough in their introductions with all of their former members and new players. We played for an hour and a half starting at 8pm, since last time we were there they didn't 570a42141b
